What are the top issues in MEL around the world?

Top questions and priorities
1 “Direct” vs “indirect” tracking and measurement
2 Incentives for all partners to report back to the local collaborative
3 Overall Collaborative tracking for placement-based impact vs specific pathways (and donors that support holistic development vs pathway impacts)
4 Updated Results / Impact Frameworks – Donor vs overall GOYN ambitions
5 Youth involvement in data and reporting

+

- **What are your top issues and interest areas?**
- **Capacity and training interest areas**

Round robin across the network

These issues will be addressed in 2026 with materials, training and learning sessions as well as new co-creation research and development
